## **Mt. Bachelor Village**

Bend, Oregon

### **MT. BACHELOR VILLAGE**

We are heading for the sun! This year the Rendezvous will be located in Bend at the Mt. Bachelor Village Resort.

Mount Bachelor, formerly named Bachelor Butte, is a strato-volcano atop a shield volcano in the Cascade Volcanic Arc and the Cascade Range of Central Oregon. The Mount Bachelor ski area has operated on the mountain since 1958. Mount Bachelor ski area operates a chairlift during the summer as well as during the ski season. The resort is one of the largest in the Pacific Northwest with a skiable area of 3,683 acres and a vertical drop of 3,365 feet. Mount Bachelor is so called because it "stands apart" from the Three Sisters, a group of three volcanic mountains that are northwest of Mount Bachelor. In early days Bachelor Butte was frequently called "Brother Jonathan". The resort developers were concerned that skiing on a butte might be perceived by consumers as "small-time" and so named their resort Mount Bachelor. Over time the popularity of the ski area led to the name Mount Bachelor coming into popular usage and in a divided decision, the Oregon Geographic Names Board voted to change the name from Bachelor Butte to Mount Bachelor.
