Membership in Club 'T' MG offers you

- A monthly gathering of like-minded people at Elmer's restaurant in Clackamas, Oregon
- Monthly events provide an opportunity to take your car out for a drive
- A monthly newsletter to keep you aware of what is going on
- Access to a group of knowledgeable individuals who can answer your tech questions
- A roster so you can contact your new MG friends
- Parts / Car sources
- Fun!

How to Join

If you are not a member and would like to join, please come to a meeting. You can also print our [membership form](#) and send it in with your dues or bring it to the meeting. If you have questions [send us an email](#). You will find a great group of people who like to show and drive their cars and have a good time.

Dues

Dues are \$25.00 a year and are paid in November for the following calendar year. Partial year dues are prorated. See the [membership form](#) for rates. Each member receives a copy of the monthly newsletter, *Ye Olde Valve Clatter*, and a roster of members and their cars.

Meetings

Meetings are held on the second Thursday of each month at Elmer's in Clackamas, Oregon (16087 SE 82nd Drive at I-205, exit 12A). Members start gathering at 6:30 p.m. for food and visiting. The meeting begins at 7:30 p.m. and usually lasts until about 8:30p.m. There is no meeting at Elmer's in September or December. Instead we have a Members Appreciation Picnic in September and a Christmas brunch in December.

Activities

Each month we have at least one activity planned. These range from a rally or tour when the weather is more cooperative to a Super Bowl party or Tech Sessions when the many MG owners keep their cars indoors.

During the year we have some major events. In the spring we sponsor the [Annual AutoJumble](#), an all British swap meet; and in July or August we have our annual [Rendezvous](#), a four day event to show and drive your car. In the past years these have been held in various resort locations such as Newport, Mt. Bachelor and Port Townsend. Around Labor Day weekend we join with other Portland car clubs to co-sponsor the All British Field Meet.
